

MULTIPLICATION TABLES

CHALLENGE DESCRIPTION:

Print out the grade school multiplication table upto 12*12.

INPUT SAMPLE:

There is no input for this program.

OUTPUT SAMPLE:

Print out the table in a matrix like fashion, each number formatted to a width of 4 (The numbers are right-aligned and strip out leading/trailing spaces on each line). The first 3 line will look like:

1	2	3	4	5	6	7	8	9	10	11	12
2	4	6	8	10	12	14	16	18	20	22	24
3	6	9	12	15	18	21	24	27	30	33	36
